Spooner Row, Sutton & Wattlefield
Community Council
 Where community matters

Welcome

Dear Residents of Spooner Row, Sutton and Wattlefield. As a council we have had many challenges over the past few years, some of them within our own council and some due to flooding, illegal traveller sites and planning matters. I'm hopeful that as a council we can now move forward to do the role we were elected to do. Hopefully this newsletter will explain some of these challenges and the action that has been taken to resolve these matters.

Our role as a Community council is somewhat limited as we have few powers, but we are there to provide a voice for our community. We do have funds available to invest in projects and as such we are always interested in considering any proposals put forward. We have now reinstated the SAM speed camera, this is currently outside the village hall. The data it provides is useful to understand who is speeding through Spooner Row.

Our clerk, Dawn Clarke is available to handle any queries for the community, but her hours are limited, so if you require an immediate answer, contact one of our councillors.

As a resident, there is an opportunity to be involved in the council by suggesting projects at our monthly meeting, writing to your councillors or becoming a councillor. We currently have 2 vacancies.

It is sometime since we produced a newsletter for our community and going forward we would appreciate your feedback on what you would like to be included in a future publication.

Yours

Sue Hewitson

Meeting Dates:

Thursday 13th March

Thursday 10th April

Thursday 8th May (with APM)

Thursday 12th June

Thursday 10th July

August No meeting

Thursday 11th September

Thursday 9th October

Thursday 13th November

December No meeting

Meetings start at 19:00
 Dates are published on our website and displayed on the parish noticeboards.
